**Hull Aesthetics Policies** Please read and check the boxes acknowledging you understand each policy: **Cancellation and Missed Appointment Policy:** At Hull Dermatology & Aesthetics, we are dedicated to our patient care and service. We try to contact all of our patients at least 8 hours before their scheduled appointment to remind them of the date and time. In the event that you are unable to keep a scheduled appointment, we request that you inform us by telephone at least 8 hours in advance. This allows us time to contact patients on our waiting list and offer the time slot to them. Our providers' time is valuable as we always have an extensive waiting list of both new and established patients. Patients who do not notify us at least 8 hours before their scheduled appointment time will be considered a "no show" and will be assessed a fee. The fee breakdown is below:

I understand that missing a scheduled appointment will incur a \$50 fee per 30 minutes scheduled.  By signing and dating below, I acknowledge that I have read and understand the above document.

**Signature of Responsible Party:** \_\_\_\_\_ **Date:** \_\_\_\_\_

- Late Arrivals:** To ensure the quality of your treatment, arriving late to a scheduled appointment may result in your treatment being shortened, the technician being changed, or your appointment being rescheduled for a later date.
- Price Changes:** Though we will make every effort to keep you Informed of price changes, our fees and services are evaluated continuously and are subject to change. Please note that if you find a better price advertised locally, we will be happy to match that pricing when presented with the advertisement.
- Prepaid Services:** All prepaid services should be used within one year of purchase. There are no refunds on prepaid services. Monies can be used for other services or product if done within one year of purchase.  **Auction and Giveaways:** Any product or service won must be used within one year unless otherwise specified by Hull Aesthetics. These are non-refundable and cannot be traded for other services or products.
- Products and Services:** All sales are final. Only defective products will be returned. Please read all consents closely for side effects; every patient is different and can respond differently to treatment. No refunds are given on services.  **Package Purchases:** Prepaid packages are tracked by treatment cards. We will keep these cards on file.  I have read and understand the Hull Aesthetics policies.

1. **Insurance:** We participate in most insurance plans including Medicare. You are responsible for verifying participation in your specific plan network. Knowing and understanding your insurance benefits is your responsibility. Please contact your insurance company with questions you may have regarding coverage. Additionally, if eligibility is not verifiable, payment will be due at the time of service.
2. **Co-payments and deductibles:** All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. Failure on our part to collect co-payments and deductibles from patients can be considered fraud.
3. **Non-covered Services:** Please be aware that some services you receive may be non-covered. Our office will try to inform you of these services prior to treatment. Ultimately, it is your responsibility to know your benefits and non-covered services will be the patient's responsibility.
4. **Claims Submission:** We will submit your claims and assist you in any way within reason to get your claims paid. Often your insurance will need you to supply information. It is your responsibility to comply with these requests. Please be aware that the balance of your claim is your responsibility whether or not your insurance pays.

Any court ordered responsibility judgment must be determined between the individuals involved with out the inclusion of Hull Dermatology.
6. **Pathology/Lab Billing:** When a lesion is removed in office, it is the standard of care is to have a pathologist examine the specimen. These services are primarily performed in-office but are billed on a separate claim and service provider. Due to this, your insurance may assess a separate co-payment deductible. Lab and pathology that is referred out is billed by the lab company; any questions in regard to those charges need to be directed to them. These charges are not collected at the time of service.
7. **Nonpayment:** If your account is over 90 days past due, you will receive a letter stating that you have 14 days to pay your account in full. Partial payments will not be accepted unless otherwise negotiated. Please be aware that if the balance remains unpaid it will be referred to a collection agency.
8. **Claims Review:** We try to finalize all charges at the time of service, but these charges are subject to review by in-house billers. Any missed charges will be billed separately.
